THE REGULAR MEETING OF THE BOARD OF DIRECTORS
OF STOCKTON EAST WATER DISTRICT WAS HELD AT THE DISTRICT OFFICE
6767 EAST MAIN STREET, STOCKTON, CA
ON TUESDAY, SEPTEMBER 26, 2017 AT 12:00 NOON

A. PLEDGE OF ALLEGIANCE AND ROLL CALL

President McGurk called the regular meeting to order at 12:19 p.m., and Director Watkins led the Pledge of Allegiance.

Present at roll call were Directors Cortopassi, McGaughey, McGurk, Panizza, Sanguinetti and Watkins. Director Atkins was absent. Also present were Manager Moody, Finance Director Vega, District Engineer Lee, Administrative Services Manager Carido, Administrative Clerk Curtis, Legal Counsel Zolezzi and Consultant Barkett.

B. CONSENT CALENDAR (None)

C. PUBLIC COMMENT (None)

D. SCHEDULED PRESENTATIONS AND AGENDA ITEMS

1. Minutes 09/19/17 Regular Meeting

A motion was moved and seconded to approve the September 19, 2017 Regular Meeting Minutes, as presented.

Roll Call:

Ayes: Cortopassi, McGaughey, McGurk, Panizza, Sanguinetti, Watkins
Nayes: None
Abstain: None
Absent: Atkins

3. Preliminary Base Monthly Payment – Fiscal Year 2018/2019

a. Public Hearing

President McGurk opened the Public Hearing at 12:21 p.m., to receive comments on the Preliminary Base Monthly Payment for Fiscal Year 2018/2019.

Manager Moody provided proof of publication of the public hearing. Manager Moody inquired if the column header should read “Water Produced” and not “Water Use” to match the language in the Second Amended Contract. The consensus of the Board was to move forward changing the phrase.

Finance Director Vega reported these are the preliminary numbers and after internal meetings, staff will determine more accurate numbers to provide for the final revision in December.

Director Watkins inquired if the 14,100 AF of groundwater listed is the assumption for the City of Stockton and Cal Water. Finance Director Vega replied it is the assumption for all M&I customers.

Director Panizza inquired if this number is based on evidence. Manager Moody replied it is based on historical documentation. Finance Director Vega added all numbers will be reviewed prior to final submittal to the Board.

Director Cortopassi inquired on the payment from Central San Joaquin Conservation District (CSJWCD) for the amount of \$240,000 listed under "Other Revenues". Manager Moody replied it is CSJWCD's water and wheeling charge that they pay the District. Director Cortopassi inquired why there was nothing charged in 2016/2017. Legal Counsel Zolezzi replied because there was no water last year.

Seeing no public comment, President McGurk closed the Public Hearing at 12:28 p.m.

- b. Resolution No. 17-18-09 – Setting the Preliminary Base Monthly Payment for Fiscal Year 2018/2019

A motion was moved and seconded to adopt Resolution No. 17-18-09 – Setting the Preliminary Base Monthly Payment for Fiscal Year 2018/2019, as presented.

Roll Call:

Ayes: Cortopassi, McGaughey, McGurk, Panizza, Sanguinetti, Watkins
Nays: None
Abstain: None
Absent: Atkins

- 4. Eastern San Joaquin Groundwater Authority Joint Exercise of Powers Authority – Groundwater Sustainable Plan Payment Options (09/13/17 Meeting Handout)

Manager Moody provided the Board with the September 13, 2017 Groundwater Sustainable Plan (GSP) Payment Options meeting handout for the Eastern San Joaquin Groundwater Authority Joint Exercise of Powers Authority (JPA). Manager Moody reported this information was requested at the September 19, 2017 Regular Board Meeting. The information provided shows the options for payment of the Groundwater Sustainability Plan (GSP); which include paying by, acreage, population or divide the costs equally. Manager Moody reported if the Groundwater Sustainability Agencies (GSAs) split the cost evenly it would be roughly ~\$88,235 per GSA; if split by population the City of Stockton would pay the most at ~\$693,453 and if split by acreage North San Joaquin Water Conservation District would pay ~\$289,397 and the District would pay ~\$195,428. All of these options would be spread out equally over a three year period.

Manager Moody reported the Eastside GSA, encompassing Calaveras County Water District, Stanislaus County and Rock Creek, would be the second highest payer if pay-by-acres was the chosen payment method; these areas have a lot of acreage, but use very little groundwater.

Manager Moody reported the JPA would prefer a consensus of the group to move forward in deciding how to allocate costs for the GSP payment, but all that is required is a 2/3 vote. This item was for information only.

5. Eastern San Joaquin County Groundwater Banking Authority (GBA) – Membership Refund for 2015/2016 Dues, 09/14/17

Manager Moody provided the Board with the 2015/2016 District dues membership refund check for the Eastern San Joaquin County Groundwater Banking Authority (GBA). Manager Moody advised the GBA approved returning last year's dues to all members. The Authority still has enough money to update the Integrated Regional Water Management Plan (IRWMP). This item was for information only.

E. COMMITTEE REPORTS

1. San Joaquin County Flood Control and Water Conservation District Advisory Water Commission Meeting, 09/20/17

President McGurk attended the September 20, 2017 San Joaquin County Flood Control and Water Conservation District Advisory Water Commission Meeting. President McGurk reported there was a presentation and discussion on the Integrated Regional Water Management Plan (IRWMP) projects. The consensus of the Commission was to move forward with reviewing all projects on the docket. President McGurk reported the District has some of the best projects submitted; however, none are shovel ready. President McGurk queried the Board on the projects already submitted on behalf of the District, which they would like to expedite. Manager Moody replied the project closest to being ready would be design of the North Site project. The consensus of the Board was to move forward with the project. This design should be completed before the IRWMP has had its final submission. Another project would be the Bellota Fish Screen project; however, this project is not as close to being ready as the North Site. President McGurk inquired if the Bellota Fish Screen will be ready for inclusion in the IRWMP. Manager Moody replied it will be included in the Plan, but not shovel ready. Manager Moody advised the IRWMP project package gets submitted to the state and is evaluated comprehensively. The IRWMP is judged based on the projects submitted and if they do not score well, there is potential to receive no funding or partial funding. The state wants to see projects that Districts have already invested in and are proven to be viable and worth their investment. Manager Moody reported there was discussion on the project sponsors giving a presentation to the Commission, which may help determine how to group the projects together for better scoring upon submission. Director Panizza reported there has been discussions on the disbanding the Groundwater Banking Authority (GBA), however, the GBA houses the IRWMP. Currently, the discussions are whether the GBA should remain its own entity, be combined with the Commission or be disbanded completely. The next meeting is scheduled for October 18, 2017.

2. Stockton Area Water Suppliers Meeting, 09/25/17

Manager Moody and staff attended the September 25, 2017 Stockton Area Water Suppliers (SAWS) Meeting. Manager Moody reported this was the first time the group convened in the last ~6-months. Kristin Coon gave her annual report, which was well received. Discussion focused on water quality and plans for the North Site Project. Manager Moody reported it was a constructive meeting. Director Cortopassi inquired if the Sally Save Water Program is still active. Manager Moody replied there was an effort by Diana Lowry during the drought to have the SAWS group and individual Districts hire her and revamp the program; this never came to fruition.

F. REPORT OF GENERAL MANAGER

1. Water Supply Report as of 09/25/17

Manager Moody provided a handout of the Water Supply Report for information only that included storage, release, and production data collected from various sources as of midnight last night.

There is 200,298 AF in storage at New Hogan Reservoir. Current releases are set at 192 cfs. There is 2,024,783 AF in storage at New Melones Reservoir. Current release at Goodwin Dam to Stanislaus River are set at 404 cfs and release to all water users are set at 1,373 cfs. The water treatment plant is currently processing 30 mgd. The City of Stockton is currently processing 26 mgd.

2. Information Items:

Manager Moody noted items: F2a-1, F2a-2, F2a-3, F2a-4, F2a-5 and F2a-6.

3. Report on General Manager Activities

a. Alternative Plan for SB 88 (Measuring Diversions) Meeting, 09/21/17

Manager Moody and staff attended the September 21, 2017 Alternative Plan for SB 88 (Measuring Diversions) Meeting. Manager Moody reported this meeting was to discuss the state's new reporting requirements under SB 88. Manager Moody advised he will bring more detailed comments to the Board after further discussions with other entities.

b. ACWA Workgroup Webinar – AB 1427 Water: Underground Storage (2017-2018), 09/26/17

Manager Moody attended the September 26, 2017 ACWA Workgroup Webinar – AB 1427 Water: Underground Storage (2017-2018). Manager Moody reported this is a subcommittee he volunteered to sit on. Discussion focused on legislative and administrative perspectives and if these perspectives can influence the State Board. On the administrative side, the State Board is willing to discuss groundwater recharge, but there still needs to be discussion on groundwater storage supplement. Director Cortopassi inquired if underground storage was discussed. Manager Moody replied the group avoids discussion on groundwater storage currently, and focuses on groundwater recharge as it relates to the Groundwater Sustainability Plan (GSP) under Sustainable Groundwater Management Act (SGMA) law. Manager Moody reported the group seems committed to wanting to make a change. Manager Moody received a call from Assembly Member Flora's office regarding these discussions. Manager Moody advised he would keep their office informed and extended an invitation for a tour of the District.

Manager Moody advised the Board of a recent case law that recommends all Board of Director's have District issued email addresses as any correspondence to and from the District is subject to disclosure under the Public Records Act. Legal Counsel Zolezzi added this will also help keep District business separate from personal matters. Manager Moody queried the Board on establishing emails. The consensus of the Board was to move forward.

G. DIRECTOR REPORTS (None)

H. COMMUNICATIONS

1. East Bay Municipal District's 24th Annual Pardee BBQ, 10/06/17

Manager Moody provided the Board with information on the upcoming annual Pardee BBQ on Friday, October 6, 2017. Manager Moody queried the Board for those interested to attend.

Board Meeting – 09/26/17

President McGurk and Director Sanguinetti advised they will attend. This item is for information only.

2. Request for Signature on Assembly Bill 313 (Gray) – Water Rights Fairness, Dated 09/21/17
Manager Moody provided the Board with correspondence for a Request for Signature on Assembly Bill 313 (Gray) – Water Rights Fairness sent on September 21, 2017. This item was for information only.

I. AGENDA PLANNING/UPCOMING EVENTS

1. San Joaquin Farm Bureau Federation – Water Committee Meeting, 5:30 p.m., 09/26/17
2. AD HOC Technical Review Committee Meeting for the Sustainable Groundwater Management Act Work Group, 2:00 p.m., 09/27/17

J. REPORT OF THE COUNSEL

1. Closed Session – Potential Litigation
Government Code 54956.9 (c) – two cases

President McGurk adjourned the meeting to closed session at 1:08 p.m. to discuss closed session agenda items. The regular meeting reconvened at 1:54 p.m., with no reportable action.

J. ADJOURNMENT

President McGurk adjourned the meeting at 1:55 p.m.

Respectfully submitted,

Scot A. Moody
Secretary of the Board

Meeting Minutes
Water Advisory Committee
San Joaquin Farm Bureau Federation
August 22nd, 2017

The meeting was called to order by chairman David Simpson at 5:34 p.m.

Members Present: Andrew Watkins, David Strecker, Donald Drake, Ken Vogel, Peter Reitkerk, Paul Sanguinetti, John Holbrook, Scot Moody, Mary Hildebrand, Joe Valente, Richard Rodriguez, Jim Ferrari, Bruce, Blodgett, Dante Nomellini, Kris, Balaji, Kelly Devine and Dylan George.

Staff Present: Rachael Fleming, Julianne Phillips and Colleen Sunbury

The minutes from the July 25th, 2017 meeting were moved/seconded and approved by the committee.

Presentation – Dylan George

The committee received a presentation by Dylan George of PG&E regarding the proposed changes to time of use periods. Mr. George, reported that the proposed changes are due to the fluctuation in demand caused by solar energy. Mr. George reported that PG&E expects the Public Utility Commission to take action in early 2018.

District Reports

- **Banta-Carbona:** No Report
- **Central Delta:** Mr. Nomellini reported that the CDWA has joined the county in litigation challenging the validation action for the tunnels.
- **Coalition:** Mr. Rodriguez reported that the Farm Evaluation Plans are due on September 1st. Discussion followed regarding the recent letters that the CVWB has been sending to landowners who are not in compliance threatening large fines. Mr. Rodriguez commented that the coalition has been making multiple attempts to reach out to these growers and that the CVWB has been going back to 2014 when the order was adopted.
- **Delta Caucus:** No Report.
- **EBMUD:** No Report
- **NSJWCD:** Mr. Valente reported that their Board of Directions is meeting on Monday.
- **OID:** No Report
- **RD's:** Mr. Nomellini reported that the RD's have been working on levee improvement projects.
- **SJC:** Mr. Balaji reported that the County is holding a flood control planning meeting in the Acampo area on Friday August 25th. He also noted that the CVFPP is scheduled to be adopted commenting that the county's comments were not included. He will be following up to understand why they were left out.
- **SEWD:** Mr. Moody reported that they anticipate having 50 KAF in storage in New Hogan that will have to be released by December 1st for flood control purposes. Further commenting that the process is frustrating as flood control is critical but there is currently nowhere for this water to be stored for drier years. Mr. Valente noted that it would make an excellent editorial because it highlights the need for more storage.

- **South Delta:** No Report.
- **SSJID:** Mr. Reitkerk reported that they will begin slowing their releases from New Melones on September 1st and will meet their conservation storage levels on November 1st, noting that there will be a fall pulse flow. In the interim the District has been working on making capital improvements to the infrastructure. He also announced that Mia Brown will be the new General Counsel beginning in January.
- **WID:** No Report.

Old Business

SGMA Update

The JPA is now discussing how costs will be allocated for the cost of applying for a GSP Planning Grant. County staff will be bringing back proposals to the JPA that will look at costs based on many different factors including acreage historic groundwater use and population.

California Waterfix Update:

The committee received an information update on the status of the project and the implications of the recent validation litigation.

Other

Dave Simpson announced that this will be Julianne's last committee evening as she will be leaving San Joaquin Farm Bureau to head to King's County to work in their County Counsel's office. Mr. Simpson, thanked Julianne for her work for this committee and wished her the best of luck.

Next Meeting.....

The next meeting will be held October 24th, 2017 at 5:30 p.m.

The meeting was adjourned at 5:31 p.m.

Respectfully submitted,

Julianne Phillips

CSDA Finance Corporation Board and Annual Meeting

Growth

11:15 a.m. - 12:15 p.m. **BREAKOUT SESSIONS**

Building a Solid Financial Foundation: Financial Policies and Internal Controls

James Marta & Company LLP CPAs

Best practices start with board adopted policies and procedures in key financial areas and internal controls. Special districts that are financially well-managed have clearly articulated fiscal policies. Formal documentation and communication are critical for proper implementation and monitoring. In this session you will learn what policies are critical for financial management, security, internal control, and financial decision-making. Questions to consider: Do you have written fiscal policies, how often are they reviewed, what do they cover, and are your employees aware of the policies?

Full Court Press: A Media Crash Course *CV Strategies*

Dealing with scrutiny from news media can be uncomfortable and even intimidating – especially going on-camera. In this hands-on workshop, hone real-world media skills from Emmy Award-winning former news insiders with decades of experience. Be prepared to step out of your comfort zone! In a safe setting, you'll stage a mock news conference complete with questions from our expert "reporters", discover the do's and don'ts of conducting an on-camera interview and come away with an increased awareness of how to face the media in even the most difficult of circumstances. Plus, learn about the latest industry best practices that combine the challenges and opportunities of managing an ever-evolving media landscape. Participants will leave with more self-confidence plus a state of the art "communications toolbox" complete with the tactics and tools they can't live without!

It's Getting Hot in Here – Climate Change Adaptation Recommendations for Special Districts

Local Government Commission and Office of Planning and Research

Climate mitigation and adaptation are hot topics in California and for special districts, especially with the climate change focus of the Little Hoover Commission's special district study. The Commission's report is expected to include numerous recommendations for special districts to be more involved in climate adaptation efforts. This session is the perfect opportunity to be responsive and learn about ways all districts, large and small, can prepare for and adapt to changes in the environment due to climate change.

Lions, Tigers, and Comfort Animals – As an Employer, What (and How) Are You Required to Accommodate?

Kane Ballmer & Berkman

This session will discuss the different categories of animals recognized by the Fair Employment and Housing Act, what the employer can ask the employee about the disability and the request for an accommodation, what the employer can demand in terms of documentation for the need for an accommodation and how the animal will assist the employee in performing the job functions, and importantly, what can the employer refuse to allow into the workplace?

Look Before You Leap! Protecting Your District Before Litigation

Stradling Yocca Carlson & Rauth

Discuss and explanation of the various mistakes and pitfalls that districts make that impair the ability to defend against later litigation. Topics discussed will include preserving the protections of the Government Claims Act, the need for a records retention policy, steps that should be immediately taken if you think the district might be sued, learning the steps necessary to preserve the protection of the Government Claims Act, how to maintain records in the digital age to increase chances in litigation, and how to respond when you think your district might be sued.

Open Government: Managing Public Meetings and Public Records in an Electronic Age

Richards Watson Gershon

Open government has taken on new meaning in this electronic age, and the legislature and courts are catching on. The result: new obligations for public agencies. Hear how other special districts have addressed electronic records and the use of personal email accounts and devices following the California Supreme Court's decision in *City of San Jose v. Superior Court*. How should your agency respond to Public Records Act requests for these, and other types, of records? What changes must be made to Brown Act practices in light of recent legislation? Find out during this update on open meeting and public records requirements.

Right this Way to a Better Board – Board Best Practices

BHI Management Consulting

Based on the instructor's new book *Fifty-Two Ways to be a Better Board*, this session will narrow the 52 ways down to four overall concepts that he has correlated as the most important elements of being a board member.

12:15 – 1:45 p.m.

Lunch with the Exhibitors

(All registered attendees welcome)

Enjoy your lunch while taking time to learn more about our exhibitors and the valuable services they provide. From risk management, accounting, HR, legal, banking services, and more – our exhibitors have some of the best of what you're looking for!

Lunch is included in conference registration.

2:00 - 3:15 p.m. **BREAKOUT SESSIONS**

Being Open-Minded about Open Data

Lozano Smith

Data increases geometrically on an almost daily basis. The methods by which you can harvest it and then put it to use for your district and those whom you serve increase in a similar manner. A general understanding of cyber-data, and how it can both benefit and compromise you, is critical in today's regulatory and business environment.

CalPERS Update & How to Prepare for and Survive a CalPERS Audit

Liebert Cassidy Whitmore

Many special districts have been audited by CalPERS and more will be audited in the future. This session will provide a timely update on CalPERS developments for 2017 and the critical topics that your districts should know to prepare for a CalPERS audit and have a successful outcome.

Successful Strategies for Utilizing Debt

CSDA Finance Corporation

Debt is not necessarily a four-letter word. Borrowing funds for mission-critical infrastructure can be a valuable strategy for protecting cash reserves while achieving your district's goals. Consultants from the CSDA Finance Corporation discuss ways to take advantage of low interest rates, including utilizing various financing structures, and refinancing of existing debt to save money in the long-term.

Required Ethics AB1234

Compliance Training (PART 1)

Meyers Nave

AB1234 mandates that local agency officials receive two hours of ethics training every two years. This two part training covers all the required topics, including laws relating to: (1) personal financial gain by public servants (conflict-of-interest, bribery), (2) claiming perquisites of office (gift, travel and mass mailing restrictions, use of public resources for personal or political purposes, free or discounted transportation), (3) government transparency (financial interest disclosure requirements, open meeting laws), and (4) fair process (incompatible offices, competitive bidding, nepotism).

Special Districts Jeopardy!

CSDA and Panel of Legal Experts

"I'll take special district laws for \$1,000 Alex." Join us for this fast-paced and informative session featuring a panel of attorneys answering questions commonly asked by special districts regarding various areas of law, including the Brown Act, Public Records Act, Proposition 218, elections, board training requirements, and more. The session will also feature a 'Lightning Round' to allow the audience to ask our experts general legal questions.

Understanding Special District Investments – What is the Trustee's Fiduciary Responsibility

Wells Fargo Advisors and Orange County Cemetery District

Presenters will cover the board's fiduciary responsibilities by reviewing the importance of having an Investment Policy Statement, the Prudent Investor Rule, an overview of permitted investments per California Government Code, and investment strategies for rising interest rates. Concluding with a special district case study from a general manager's perspective on the Investment Management Program.

What's New in California Prevailing Wage Updates

Contractor Compliance and Monitoring Inc.

Prevailing wage law in California is constantly changing. Attend this session to get the latest update on recent changes. Key topics will include when: Maintenance and Service work is covered by prevailing wages; preconstruction work is covered by prevailing wages; and, work can be exempt from prevailing wage by using agency staff, volunteers, CCC, and students. CCMI will also be sharing its Public Agency Prevailing Wage Checklist designed to help agencies understand and comply with prevailing wage requirements.

3:30 - 4:30 p.m. **BREAKOUT SESSIONS**

A New Look at Design Immunity – Expanding Protection for Public Entities

Hanson Bridgett, LLP

Design immunity is an incredibly powerful doctrine that is underutilized by public entities. It provides an absolute defense to dangerous condition of public property liability for public entities. With some creative thinking, public entities can use design immunity not only to shield them from liability for injuries caused by the structural design of their facilities, but also for the way in which those facilities are operated. Come learn about this significant defense to dangerous condition claims and get tips on proactive steps your agency can take to strengthen and expand this immunity to maximize the potential of obtaining design immunity when sued.

Beyond the Next Budget: Fiscal Forecasts for Effective Planning

Hayward Area Recreation & Park District and Management Partners

Many agencies base next year's budget on this year's, assuming that most details will remain the same. But the risks of this practice were revealed during the Great Recession, when many special districts had to scramble to recover from plunging revenues. Hayward Area Recreation and Park District recently worked with Management Partners to develop a five-year fiscal forecast, which will allow the district to see how pay increases, new debt, pension costs, revenue changes, possible recessions, and inflation will affect the district.

Employee Engagement

CPS HR Consulting

Leaders at all levels of government are under enormous pressure to maintain and improve performance, while managing increased turnover and doing more with less. One proven response to this difficult leadership challenge is to improve the level of employee engagement. This workshop provides participants with the knowledge and tools to understand what engagement is and why it matters, and measure and improve employee engagement. Participants will be able to apply what they learn to measure and improve employee engagement in their organizations.

One Toke Over the Line: The Growing Specter of Marijuana in the Workplace

Atkinson, Andelson, Loya, Ruud & Romo

Marijuana is more common place than ever. With this changing legal landscape, it is critical that public employers understand their rights in addressing employee marijuana use. When and how can a public employer conduct drug testing? What is the scope of acceptable marijuana use in the workplace? What affirmative steps can a public employer take to address issues of marijuana use with its employees? Join us for a discussion of these timely issues to ensure that your agency is not left high and dry.

Required Ethics AB1234

Compliance Training (PART 2)

Meyers Nave

See previous session description.

Say What?!? Speaking Plainly Through Policy

BHI Management Consulting

This session outlines the critical nature and importance of making long-lasting and meaningful policy as a board. Good policy is the most professional expression of a great board and agency. Yet special districts struggle with what policy means and how to make and use them. From BHI Management Consulting's President, Brent Ives, "Making good policy moves our board to the highest level of performance". Don't miss it.

Tie in to TIERS – A New Framework for Practical Public Engagement at the Local Level

Institute for Local Government

In this interactive session, participants will learn about a new public engagement framework created by the Institute for Local Government. The TIERS (Think-Initiate-Engage-Review-Shift) Framework provides a practical step-by-step approach for any local government, small to large. Share your challenges and hear from special districts that have begun to implement this framework.

Manley Feinberg

Reaching Your Next Summit! 9 Vertical Lessons to Lead with More Impact

Manley Feinberg, business leader and author of *Reaching Your Next Summit! 9 Vertical Lessons to Lead with More Impact* will be our keynote speaker on Wednesday. Prior to Mr. Feinberg's career as a speaker, he worked with Build-A-Bear Workshop and helped the company land on the FORTUNE 100 "Best Companies to Work For" List four years in a row with his award-winning business solutions. This keynote will leave with you many actionable techniques, frameworks, and insights to help lead your organization to a better tomorrow.

11:00 a.m. - 12:15 p.m. **BREAKOUT SESSIONS**

Beyond Website Basics

Streamline

If your district has a website—regardless of the platform—and you're ready to take it to the next level, this is the session for you! We'll share resources for free, beautiful photos and iconography you can use to dress up your site; cover various tools for converting Word files to PDFs, and scanned PDFs to text files (important for upcoming compliance requirements!); demonstrate easy ways to engage with citizens using things like email signup forms, voting and polling tools; and discuss search engine optimization including submitting your site to search engines, and how to craft content for the best search results. You'll leave with handouts including additional resources to take back to your district or share with peers.

CEQA Basics and Hot Topics for Board Members and Staff

Best Best & Krieger and Albert A. Webb Associates

CEQA is complex and fast changing but this panel of CEQA attorneys and consultants will break this crucial environmental law down to its essential components. A special emphasis on the latest CEQA developments relating to greenhouse gas emissions, tribal cultural resources, SGMA, and marijuana use and cultivation will also be provided, focusing on how these "CEQA hot topics" affect special districts.

Employment Law Update: Gender Identity in the Workplace

Special District Risk Management Authority

In this session, we will discuss and provide examples of gender issues facing employers in California today. What is the current state of California law? What is an Employer's legal duty to accommodate LGBTQ employees and/or the public? Exactly how many restrooms do we need?

Get in the Mix! Work-Life Blending

CPS HR Consulting

The concept of "work-life balance" is changing. With the ability to be connected all the time, we are moving to more of a work-life blend. How does that translate in the workplace? What does this look like for you and how can you find your right blend? By rethinking balance and seeking to blend, not only will you feel less guilty about mixing work and life together, but you will find it more realistic to feel fulfilled both at and outside of work.

“The annual conference always gives me something I can use in my role as a board member.”

MICHAEL SEAMAN,
DIRECTOR

11:00 a.m. - 12:15 p.m. **BREAKOUT SESSIONS CONTINUED**

Planning for the Future Through Effective Rate Setting

Best Best & Krieger and Santa Margarita Water District

Rate-setting is a necessary, yet often a difficult, obligation for every district. Districts must consider short-term financial requirements, including day-to-day operation and maintenance of water and wastewater systems, while simultaneously planning for the future through building reserves and preparing for future capital projects and improvements, and unexpected expenses. This session explores legal and technical requirements for rate-setting, as well as strategies for successful adoption and implementation of water rates designed for long-term financial stability from Santa Margarita Water District, based on experience.

The Doctor Will See You Now: Assessing the Financial Health of Your District

Mann, Urrutia, Nelson CPAs & Associates, LLP

This session will provide a review and insight of important financial concepts, reports, and policies specific to public agencies including special districts. The presenter will cover: understanding the financial audit process and how to evaluate audit results, application of basic financial ratios to help assess the financial health of your district, and evaluating fraud risk and implementation of related internal controls.

Turning Public Perceptions of Your District from Negative to Positive: Dealing with Opposition, Complaints, Angry Customers, and Negative Media Coverage

Rauch Communication Consultants, Inc.

Whether your district is seeking to overcome lack of support for an important program or buffeted and besieged by opposition, this seminar can help by providing clear examples and guidance on how to deal with difficult public issues and regain public trust, understanding, and support so your district can move forward.

12:30 – 1:45 p.m.

CSDA Annual Awards Luncheon

Deadline for submissions is Friday, July 21, 2017. All applicants will be notified prior to the Annual Conference as to the winner.

2:00 - 3:30 p.m. **BREAKOUT SESSIONS**

Before You Press Send: Public Records and Brown Act Considerations

Lozano Smith

Questions regarding use of e-communication, and retention of and public access to electronic documents, continue to challenge board members and staff. Hear the latest on e-communication and the Brown Act; public records; social media implications; and use of personal devices for public business. This session will help attendees better understand how the law applies to the use of technology.

Better Boards Equal Better Districts

Rauch Communication Consultants, Inc.
Best practices in board and committee meetings, role of the President, fostering healthy dialogue, board and general manager roles and relationships, and more. Streamline and update how your board operates. Gain ideas on how to make board meetings more effective, interesting, and meaningful. Learn how to evaluate whether to have committee meetings and if so, how to structure them. Get tips on how to ensure your board is focusing on the right information and issues, and providing clear policy direction to the manager. This is an interactive session full of examples and real world ideas.

Effectively Communicating Financials and Key Questions Board Members Should be Asking

James Marta & Company LLP CPAs and Olivenhain Municipal Water District

In this session, you will learn what key financial reports management and the board need for effective decision making and how to effectively present information to those with non-financial backgrounds to ensure a better understanding of the district's finances. Presenters will discuss the use of financial dashboards to summarize and present the most critical financial data needed on a regular basis, effective budget actual comparison, and multi-year analysis.

LAFCOs and Special Districts: Pitfalls and Opportunities

Meyers Nave

LAFCOs have significant authority over special districts and special care is needed to ensure that a district does not run afoul of its powers. This panel will look at specific instances where special districts can work with LAFCOs to avoid problems with other districts, evaluate new opportunities and understand where regional cooperation is the best policy for all involved.

Required AB1825 & AB1661 Harassment Prevention Training for Officials and Supervisors (PART 1)

Burke Williams Sorensen

AB1825 and AB1661 makes sexual harassment prevention training mandatory for supervisory employees and officials receiving any compensation. This legislation requires employers to ensure that all supervisors and officials receive at least two hours of sexual harassment prevention training every two years. Receive your AB1825/AB1661 compliance training for special districts with this breakout.

Winning the War for Talent

Santa Clara Valley Water District and Management Partners

The session will identify the key talent challenges identified in a series of focus groups involving senior leaders in local government and explore strategies and best practices to address the challenges and more.

FPPC Update: Conflicts of Interest

Fair Political Practices Commission

This session presented by a representative from the FPPC will include a presentation regarding conflicts of interest under the Political Reform Act and Government Code Section 1090 and a discussion of recent advice letters.

Get On Board: Employee Orientation Requirements and Best Practices

Liebert Cassidy Whitmore

Employee orientation is more than just a nice way to acquaint new employees with your history and mission. It's also a key tool to ensure employees work in compliance with your district's goals, policies and procedures, as well as to provide them with any applicable information about their legal protections in the workplace. This session will cover the best practices for districts, including best practices for districts with represented bargaining units.

Going to the Ballot?: Restrictions on the Use of Public Funds for Political Purposes

Hanson Bridgett

Need to raise revenues or change the law, but confused by pitfalls and restrictions? Want to support a bill or local measure, or ask your residents to approve a property-related fee or assessment, but not sure whether or how to reach out to the public? Come learn about the laws governing public agency efforts surrounding ballot measure campaigns, grassroots lobbying and legislative advocacy. Hanson Bridgett's attorneys will provide you with a framework to figure out next steps for your agency to inform the public, state or federal government, about your agency's needs.

How'd You Do That? Panel Discussion with CSDA Award Winners

Communication Advantage

Do you ever attend the CSDA Awards Luncheon and think "That's a great idea, but I wouldn't even know where to start on something like that"? This panel will explore such topics as where the great ideas come from, what additional resources are needed for implementation, how to gain board approval, and what factors help our judge select a winner. The panel will include representatives from winning agencies and an awards judge.

The Empty Chair – Handling Board Vacancies and Appointments

Meyers Nave

Attendees will receive instruction and information on board vacancies and appointments. Discussion will also include board governance related to behavior and removal, including legal process and procedures.

2018 WATER SUPPLY OUTLOOK

I take great pleasure in announcing that we expect to have a normal irrigation season in 2018. New Hogan Reservoir is projected to be near 200,000 acre-feet of water at the end of this irrigation season.

That's ~125,000 acre-feet more water than last year. The District provided a normal irrigation season this year and we are confident we will have a normal irrigation season next year.

The New Melones Reservoir is currently at 2,038,744 acre-feet compared to 540,842 acre-feet at this time last year.

This is great news and we expect to have a normal water supply next year.

Sustainable Groundwater Management Act (SGMA)

On this subject last year, I stated that the State legislature passed this Act and, as a result, the District intended to become a Groundwater Sustainability Agency (GSA) to keep our portion of the Basin within the District, controlled by your Elected Board. We completed that task and the District is now part of an organization called the Eastern San Joaquin Groundwater Authority Joint Exercise of Powers (Authority). The Authority includes all GSA participants within the Eastern San Joaquin Groundwater Basin and our collective mission is to write the Groundwater Sustainability Plan (GSP) as required by SGMA. The GSP is the key to the success of groundwater management in that it will determine how the Groundwater Basin will be managed and report our success to the Department of Water Resources (DWR). This Plan will estimate how much water is pumped from the Basin and will also estimate how much water enters the Basin to recharge it each year. Our task will be to find a way to balance those two numbers and prove to DWR that our Basin is sustainable. Ultimately, DWR has approving authority on this document.

The Eastern San Joaquin Groundwater Authority Joint Exercise of Powers meets monthly on the second Wednesday and the meeting is held at the Robert J. Cabral Agricultural Center at 9:30 a.m. I encourage you to attend some of these meetings and be aware of what is happening to your groundwater!

2017 Preliminary Dam Removal Schedule

OCTOBER 13th - New Hogan releases will be reduced down to 20 cfs.

OCTOBER 17th - Irrigation season ends. Irrigation water left behind in all diversion dams is available to pump as needed. Bellota Weir will be removed and the 2-foot winter weir and fish ladder will be installed. Diversion dam drainage will start upstream on Mormon Slough and Potter Creek, then the Old Calaveras River and Mosher Slough.

OCTOBER 27th - Dam removal will be completed on Mormon Slough. Removal on Calaveras River, Mosher Slough, and Potter Creek will continue.

Releases from New Hogan Reservoir to the Calaveras River will be reduced to about 20 cubic feet per second (cfs) starting October 13th. Diversion dams will be drained ending the 2017 Irrigation Season with a detailed schedule to the left.

Calaveras River flow will remain at 20 cfs, and adjusted as necessary for the needs of the Water Treatment Plant. Removal of diversion dams from Old Calaveras River Channel, Mosher and Potter Creeks will occur as time permits, but before it rains.

The District appreciates your cooperation and assistance during this year's water supply operations.

Updates to this schedule will be posted online at, sewd.net

DREAM Project

The Eastern Water Alliance (EWA) is an Alliance of Water Districts located over the critically over-drafted Eastern San Joaquin Groundwater Basin and consists of Central San Joaquin Water Conservation District (CSJWCD); North San Joaquin Water Conservation District (NSJWCD) and Stockton East Water District (SEWD). Per Water Code-Division 2. Article 1.7 – Areas of Origin [1220]. (a) no water shall be pumped for export from within the Sacramento and Delta-Central Sierra Basins, as defined in the Department of Water Resources' Bulletin No. 160-74 and (d). The section does not apply to groundwater pumping by the EWA Joint Powers Agency for export from the Eastern San Joaquin Basin, provided that the groundwater pumping is approved by San Joaquin County (SJC) as described by DWR Bulletin No. 118-80.

In March 2016, the EWA approved support of the Lead Agency's (SJC), Demonstration Recharge Extraction and Aquifer Management (DREAM) Project. The Project components include the conveyance of ~1,000 AF of East Bay Municipal Utilities District's (EBMUD) surface water from the Camanche; down the Mokelumne River to NSJWCD for recharge. NSJWCD will recognize the banking of credits to EBMUD for half of the water delivered and NSJWCD's return of the EBMUD credit water back to EBMUD. SJC completed all requirements of in accordance California Environmental Quality Act (CEQA); and, the SJC Board of Supervisors approved the export permit on April 11, 2017. On September 11, 2017 the EWA approved & entered into agreement with NSJWCD, delegating authority to NSJWCD to carry out the DREAM Project as described in the export permit application. The Project's term will end five (5) years after recharge water is first provided by EBMUD to NSJWCD.

Students Have Fun Learning About Water!

The Stockton East Water District (SEWD) is a member of the Stockton Area Water Suppliers (SAWS), an alliance of Stockton area water agencies that includes the City of Stockton, San Joaquin County, California Water Service Company and SEWD. SAWS sponsors a variety of educational community outreach efforts, including seven standards-based, in-class water education programs, special events and after school presentations and facility tours. Any school with a Stockton address is eligible for this fun, free, and educational program.

At left, Water Educator Suzi Kelly sings The Water Cycle Song with a class of first graders during the presentation of the "Water Cycle Story" at a local elementary school. During the presentation, students learn about the water cycle and play a fun match game that helps students understand water's three states of matter: liquid, solid and vapor.

HEALTH & WELLNESS INITIATIVE GRANT "The Struggle is Real"

Stockton East Water District was awarded a \$1,600 Wellness Grant by ACWA/JPIA on July 12, 2017, for our application submission, *The Struggle is Real*. In partnership with Anthem Blue Cross, ACWA/JPIA extended the opportunity to obtain a Wellness Grant to all of its members; Stockton East Water District was 1 of roughly 50 Districts awarded. Our 2017 plans for the Health & Wellness Program have begun to take shape & our employees are excited! The District's goal is to continue educating, promoting & enhancing the importance of maintaining a healthy lifestyle for our employees while at home and at work. The Program funding will assist the District in providing education & incentive to our employees to create a work culture that is supportive of District employee's lifestyle goals. No matter what the issue, we know that The Struggle is Real!
